TA will be provided to those paper presenters whose papers are selected for publication.

Paid guest house accommodation arrangement for the participants will be made on request.

About the Organisation:

Sri Kshethra Dharmasthala is known for charity (Dhana) in different forms - Anna Dhana, Abhaya Dhana, Arogya Dhana and Vidya Dhana. The Dhana tradition of the temple has created an indelible mark in the society for its pioneering efforts in settling disputes, (Hoilu) making of entrepreneurs (RUDSETI), socio-economic transformation (SKDRDP), women empowerment (SIRI), rejuvenation of ancient temples (Dharmothana), holistic health solutions (Ayurveda, Nature cure and Allopathy) and so on.

Under virtuous tradition of Vidyadana, SDM Education Society established 53 Educational Institutions catering the educational needs of the deserving and desiring learners of all levels in different locations. Schools and Colleges for Arts, Commerce & Science disciplines in addition to the professional educational institutions of higher education such as Medicine, Dentistry, Nursing, Physiotherapy, Ayurveda, Naturopathy, Yoga, Law, Management etc. were established. We feel proud in announcing that some of them are at the highest level of quality.

Several innovations initiated by the Sri Kshethra are emulated by the individuals, groups, State or Central Government to ameliorate poverty and to empower the marginalised section of the society.

About the College:

Started in 1966, SDM College (Autonomous) Ujire is a well-established and leading institution at the foothills of the Western Ghats. The Institution is well-known for reaching the unreached and has made land marks in extending quality education to all, irrespective of caste, creed and religion.

The pride achievements of the College: **Accredited twice with 'A' grade with high CGPA by NAAC, awarded with CPE status by UGC for two phases and is known for "State of the art" infrastructure and excellent academic ambience focussing on competence development with institutionalised values and ethics for total personality development.**

Seminar Objectives

- To identify the lessons learnt from IQAC in Accredited Colleges.
- To discover the possible best practices of quality assurance through brainstorming.
- To explore the emulation of the best practices.
- To document the selected best practices and to disseminate.
