WORKSHOP ON PYTHON

REPORT

WORKSHOP CONDUCTED BY THE DEPARTMENT OF MATHEMATICS

For the beneficiary of the students, the department of Mathematics is engaging them in one way or the other. As a part of this journey in the academic year of 2022-23, the department in Association with st. Joseph Engineering College, Vamanjoor, Mangalore (under MoU) organized “Experiential Learning”, a platform to learn Data Handling With Python and MS Office. This workshop was inaugurated by Mr. Harsha A J, Assistant Professor St. Joseph Engineering College, Mangalore, on 29th October 2022.

The program was initiated by the HOD Mathematics Prof. B. Ganesh Nayak and was coordinated by the Assistant Professors Ms. Akshatha B and Ms. Poojitha Varma Jain. Further, this workshop was taught by the student educators Mr. Pruthviraj B for MS Office, Mr. Harshavardhan Hegde and Mr. Shreesha Hegde for Data Handling with Python.

Objectives of MS Office:

In this course, participants learned how to use the basic features of Microsoft Office tools such as Word, Excel and PowerPoint. Along with the theories, they were taught to work on these various tools, giving them practical knowledge alongside the theory.

Benefits of the course:

In this program, the participants learnt the following:

- Introduction to Microsoft Office Word, Excel and PowerPoint
- SRP Documentation using MS Word
- Creating Laboratory Tabulation column using Excel
- Preparing Quiz using PowerPoint
- Resume Building using PowerPoint
- Analyzing SRP survey data using MS Excel
- Creating participation certificate and auto mailing using MS Word/PowerPoint
- Designing E-Magazine

Objectives of DATA Handling In Python:

Sri Dharmasthala Manjunatheshwara College (Autonomous), Ujire-574 240, Dakshina Kannada, Karnataka State

Here, the participants were exposed to the basics of the programming language Python and to the term 'Data'. The main objective was to explain how Data is used in daily life and to help the participants to develop their skill set in this digital world.

Benefits of the course:

In this program, the participants learnt the following:

- Basics of the programming language - Python
- Basics of Data Handling
- Clues to enhance their presentation skills
- Clues to enhance their thinking and reasoning ability
