Respected Sir,

Subject: Requisition for an educational visit of MSc Statistics students.

The S. D. M. College (Autonomous), Ujire, is offering a postgraduate programme in Statistics leading to a M.Sc. degree in Statistics. The students are given relevant theoretical training in Design and Analysis of Experiments besides other courses in Statistics, but they are not exposed to the actual conduct of designed experiments. In this regard, we plan to conduct an educational visit of around 28 MSc Statistics students to CPCRI, Kasaragod, on 16th June 2023 (Friday) forenoon, at around 9.30am, with an objective to have a session (if possible) from Dr. Chandran K. P., Principal Scientist, and also to observe and obtain information on layout and conduct of experiments, methods of application of treatments, and collection of relevant data for analysis. Therefore, I kindly request you to grant us permission for the visit.

Thanking you.

With regards,

[PROF. SHANTHIPRAKASH]

Respected Sir,

Subject: Request to seek permission for an educational tour.

With reference to the above subject, the Department of PG Studies in Statistics have planned to conduct an educational tour of MSc Statistics students from 16th June to 18th June 2023. Around 28 MSc Statistics students will be attending the study tour along with two faculty in-charge of the department. We are planning to cover CPCRI, Kasaragod, and College of Agriculture, Padannakkad, Kasaragod, during these 3 days of visit. The students are given relevant theoretical training on statistical procedures used for agricultural research, but they are not exposed to its actual implementation in real life. Hence the objective of this visit will be to observe and obtain information on the implementation of statistical tools and techniques in agricultural studies, and collection of relevant data for analysis. Therefore, I kindly request you to grant us permission for the same.

Thanking you.

With regards,

[MR. SHANTHIPRAKASH]
