Feedback Analysis Report - 2022-23

The feedback on the curriculum of Mathematics was collected from stake holders (students, Teachers, Employers and Alumni) during the year 2021-22. The feedback has been analyzed and the following suggestions made by them are recorded for further action:

Sl. No	Stakeholders	No of stakeholders who gave feedback	Important Suggestions/Remarks
1	Students	10	1.To provide more number of books in library 2.Field visit & Internship opportunities in the subject
2	Teachers	10	1. It was also pointed out that importance of student projects & small research projects-encouraging the "beyond syllabus" attitude and to look at thrust areas to work on. 2. Promote students to take MOOC courses which give better exposure on global topics and provide a standard curricular development of the students.
3	Employers	--	----
4	Alumni	10	1.To incorporate employability and skill enhancement courses
