FUNDS MOBILIZATION POLICY

Policy

The institution is a charity institution and hence mobilizing funds to meet both fixed and operational expenditures (to manage the institution) does not arise. College receives grants from Autonomous grants, CPE, DBT-STAR College Scheme, Paramarsh Grant and B. Voc. The funding agencies such as UGC/DBT/VGST/KSTA/ Science Academies' Education Programme and others are approached for grants under development schemes, research projects, seminar/conferences etc. The management provides funds required for the entire additional infrastructure and other facilities. However, on special occasions such as mega events like national level athletic meets and tournaments, seminars or workshops, festivals and summits, funds are mobilized to meet the extra expenses.

Objective

- To provide additional facilities, high-end lab facilities and learning resources to meet the contemporary needs of the students.
- To establish research centers and instrumentation centres to promote research culture within the institution.
- To organize national or international events in befitting manner

Scope

This policy is applicable to all employees working in the institution.

Responsibility

The management is accountable for the judicious utilization of funds for institutional growth

Definition

Fund means finance generated for short term and long term requirements of the institution.
