

1. Workshop on “Detection of adulterants in food stuff”

Department of Chemistry organized a workshop on “Detection of adulterants in food stuff” to the students of S.D.M.English Medium School (CBSE) on 31.8.2023. Final year B.Sc students demonstrated how to detect the adulterants in food stuffs like honey, milk, curd, ghee, oil. Mr Sathvik and MS. Vedamatha, III B.Sc spoke on the food adulteration and its side effects. The main objective of the workshop is to popularize the chemistry among the school students. Mrs.Sangeetha.B, Assistant Professor, Department of Chemistry co-ordinated the programme. About forty school students were actively participated in the programme.

3. Workshop on preparation of house hold products

Department of chemistry organized a workshop on preparation of house hold products to the students of SDM Secondary school, Ujire on 20.02.2024. About 40 students were actively participated in the programme. Mr.Vignesh and Tejas of III B.Sc spoke on the importance of chemistry in daily life. Students of III B.Sc demonstrated preparation of few household products like liquid soap, detergent, synthetic syrup, tooth paste, shampoo, detergent powder, phenyl to the school students.
