DEPARTMENT: RESEARCH AND INNOVATION COUNCIL

CERTIFICATE

Mukka
15.09.2023

This is to certify that Miss **HASHMITHA K. R.**, second year M. Sc. (Chemistry) Student of S.D.M. College (Autonomous), Ujire - 574240, INDIA, has carried out research work in the Department of Chemistry, Institute of Engineering and Technology, Srinivas University Mangalore, Mukka Campus, during 16.08.2023 to 15.09.2023.

She has worked on the synthesis of high-conductivity carbon, under different conditions of preparation, using different types of naturally available biomaterials (agricultural bio-wastes) through a simple synthesis procedure, under the guidance of Prof. Vasudeva Bhat of our Institute.

She has been successful in converting dried green leaves from Money plants which are low cost, locally available bio-mass, into porous, graphene-like carbon - a highly useful nanomaterial - using a simple pyrolysis technique. The oven-dried raw material, which shows resistances in the range of mega ohms, gets converted into high-conductivity carbon, exhibiting resistances comparable to that of a reference sample (commercial graphite powder), under similar geometries for sample and the references during measurements. These porous carbons have potential use as electrode materials in supercapacitors which are expected to be high-performance, energy storage devices.

She is excellent in carrying out research work individually as well as collectively in a group.

We wish Miss Hashmitha K. R. all the best in her future education and carrier.

(Prof. Dr. B.M. Praveen)

Research Director of Srinivas University and

HOD, Dept. of Chemistry, Institute of Engineering and Technology, Srinivas University Mangalore, Mukka Campus, 574146.

TO WHOMSOEVER IT MAY CONCERN

This is to certify that Ms. Bhoomika P is a bonafide student at Sri Dharmasthala Manjunatheshwara College, Ujire and pursuing her M.Sc. Organic Chemistry.

As part of her course curriculum, she has undergone internship in our premises from 16.08.2023 to 28.09.2023. We also confirm that she has fulfilled her obligation to the project work entitled "Synthesis of 2,5-dichloro benzoyl glycineamide" in our R&D department.

During her project period, we found her to be sincere and wish very best for her future.

This certificate is issued on her request.

CERTIFICATE

This is to certify that Miss **NEHA VINOD GURAV** with registration no - P05SY23S032014 second year M. Sc. (Chemistry) Student of Sri Dharmastala Manjunatheshwara College (Autonomous), Ujire, INDIA, has carried out research work in the Department of Chemistry, Institute of Engineering and Technology, Srinivas University Mangalore, Mukka Campus, during 15.07.2024 to 30.08.2024.

NEHA VINOD GURAV has worked on Design, synthesis and characterization of imidazothiadiazole derivative, under the guidance of Dr. Shivaraju G of our Institute.

She is excellent in carrying out research work individually as well as collectively in a group.

We wish Miss **NEHA VINOD GURAV** all the best in her future education and carrier.

INTERNSHIP COMPLETION CERTIFICATE

We are glad to inform you that Ms. Anushree E V (P05SY23S032001) from Department of P.G. Studies & Research in Chemistry Sri Dharmasthala Manjunatheshwara (Autonomous) College, Ujire. has successfully completed her Internship under my supervision at Biosensors Research Laboratory, FMKMC College, Madikeri from 15th July to 31st August 2024. During her internship, she was exposed to various scientific activities in experimental design and critical data analysis. We found her extremely inquisitive and hardworking, she was very much interested to learn the functions of our core research and also willing to put her efforts and get in to the depth of this subject to understand it better.

Her association with us was very fruitful and we wish her all the best in her future endeavours.

Certificate of Internship

This is to certify that **Ms. K. P. Pooja.**, Department of Chemistry student from Sri Dharmasthala Manjunatheshwara College (Autonomous), Ujire, University of Mangalore., has undergone internship programme at our centre successfully. As the part of the internship from 16th August of 2023 to 13th September of 2023 **Ms. K. P. Pooja.**, has undergone training at our R&D center in the following area,

1. Calculation of Mole ratio and Equivalent
2. Reaction start up, monitoring by TLC, termination and workup
3. Handling of mg to grams level reaction
4. Purified by column chromatography.
5. Purified product molecular weight LCMS
6. Purity checked by HPLC
7. Purified product characterization by NMR, IR and LCMS

During the internship, **Ms. K. P. Pooja.**, was punctual, positive and performance oriented and completed all the activities/tasks assigned to her successfully. Her character and conduct found to be very good during internship at our centre.

We wish her all success in her career.

TO WHOM SO EVER IT MAY CONCERN

This is to certify that **Mr. SHRAVAN S NAIK** of M.Sc Organic Chemistry, student of Sri Dharmasthala Manjunatheshwara College, Ujire (Autonomous), Karnataka, has successfully completed his project work. He has worked on the project entitled **"Synthesis, Isolation and characterization of Carvedilol intermediates"** from 14th Aug 2023 to 14th September 2023 at our R&D Unit, Bangalore. He has worked on this project under the supervision of Mr. Prakash Alva P (Manager- R&D).

The work included in this project is the proprietary information of Anugraha Chemicals, Bangalore. Under no circumstances the content of this work can be published in any scientific journals and cannot be used for any commercial purpose.

During his project work tenure, he was sincere and punctual in learning the industrial concepts.

We at company's name wish him all the best in his future endeavors.

Certificate of Internship

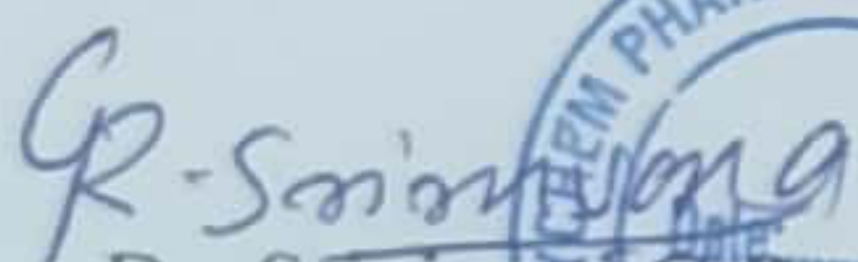

This is to certify that **Ms. Shreya Shetty.**, Department of Chemistry student from Sri Dharmasthala Manjunatheshwara College (Autonomous), Ujire, University of Mangalore., has undergone internship programme at our centre successfully. As the part of the internship from 16th August of 2023 to 13th September of 2023 **Ms. Shreya Shetty.**, has undergone training at our Research and Development centre in the following area,

1. Handling of mg to grams level reaction
2. Reaction start up, Mole ratio and Equivalent calculations
3. Reaction monitoring by thin layer chromatograph (TLC)
4. Purified by column chromatography.
5. Purified product molecular weight and purity checked by LCMS and HPLC
6. Purified product characterization by NMR, IR and LCMS

During the internship, **Ms. Shreya Shetty.**, was punctual, positive and performance oriented and completed all the activities/tasks assigned to her successfully. Her character and conduct found to be very good during internship at our centre.

We wish her all success in her career.

TO WHOMSOEVER IT MAY CONCERN

This is to certify that Mr. Siddappa Birappa Manare is a bonafide student at Sri Dharmasthala Manjunatheshwara College, Ujire and pursuing his M.Sc. Organic Chemistry.

As part of his course curriculum, he has undergone internship in our premises from 21.08.2023 to 28.09.2023. We also confirm that he has fulfilled his obligation to the project work entitled "Synthesis of 4-oxo-N-phenyl-1,4-dihydroquinoline-3-carboxamide" in our R&D department.

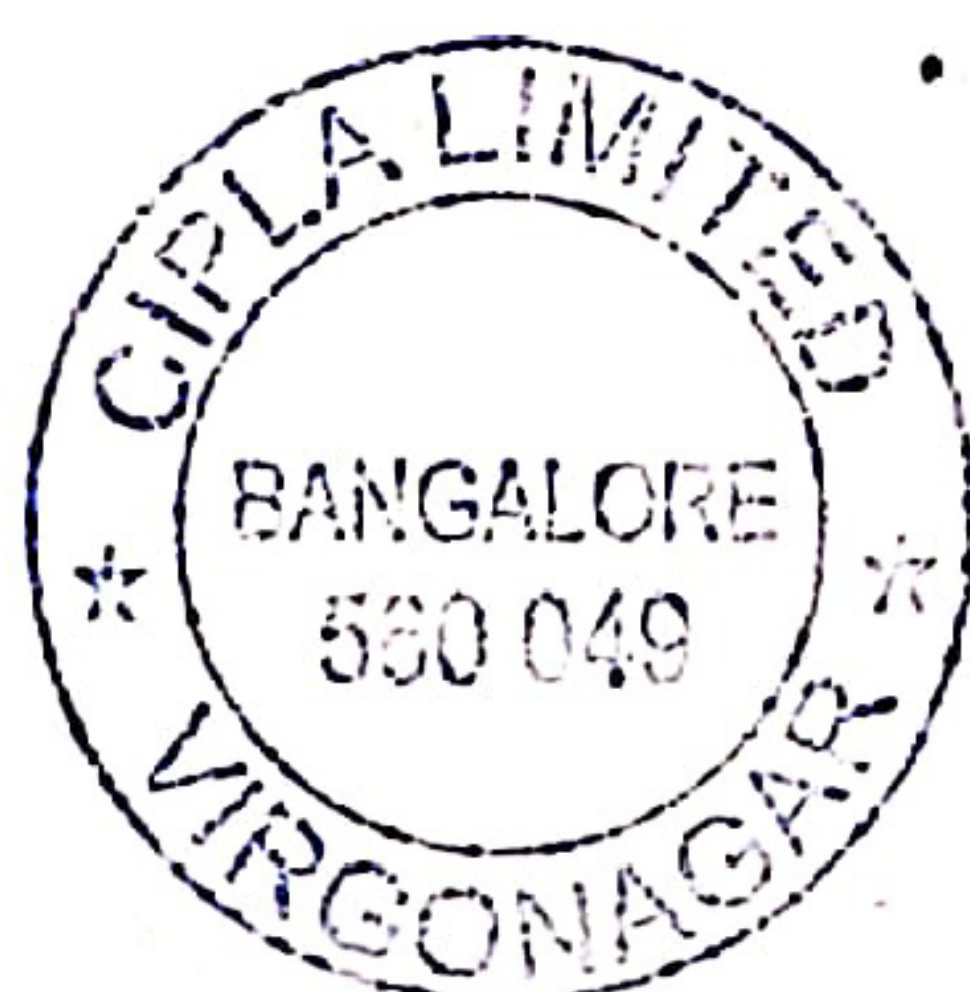

During his project period, we found him to be sincere and wish very best for his future.

This certificate is issued on his request.
