

**SRI DHARMASTHALA MANJUNATHESHWARA COLLEGE**

**(AUTONOMOUS) UJIRE-574240**

**(Re-Accredited at A<sup>++</sup> Grade by NAAC)**

## **DEPARTMENT OF CHEMISTRY**

### **REPORT OF**

**FIELD VISIT – 2023-24**

**(08-10-2023 to 10-10-2023)**

## **Preamble**

Sri Dharmasthala Manjunatheshwara College (Autonomous), Ujire is one of the prestigious college in Karnataka, which gives quality education to students from all over India. Most of the students studying here are from rural areas with financially poor backgrounds. SDM College provides value-based education to all the students along with moral values.

Industrial visits are important for chemistry students because they provide practical experience and help students understand the relevance of theoretical concepts in a real-world setting.

The students can experience the working environment of an industry, interact with industry professionals, and learn about industrial procedures. They gain a practical understanding of theoretical concepts and how they apply in an industrial setting.

Industrial visits improve academic performance by helping students comprehend, retain, and apply subject matter knowledge. Industrial visits can facilitate collaboration between academic institutions and industries, which can lead to knowledge exchange, research partnerships, and internship opportunities.

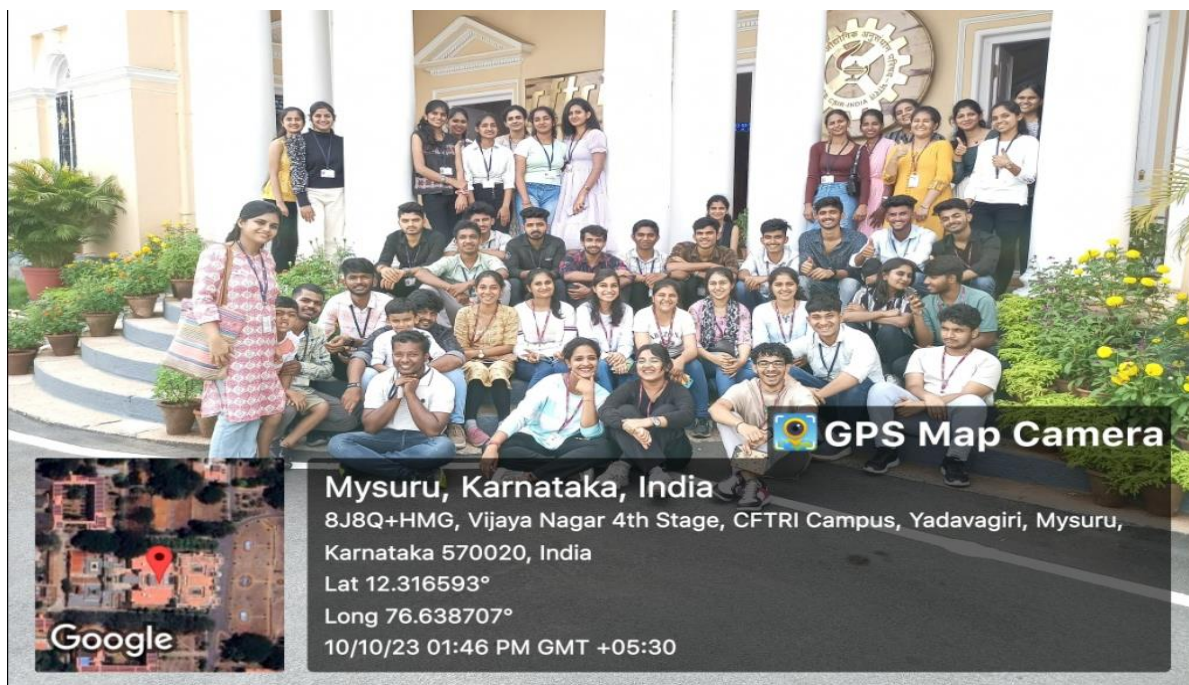

Industrial visits encourage students to continuously seek new knowledge and stay updated with industry developments. Such Industrial visits can provide an excellent platform for networking as students interact with corporates.

In this regard, the department of Chemistry plans visits to reputed institutions and industry. During the academic year 2023-24, the department organized visits to four premier institutions/industry of the country CFTRI, Mysuru, DFRL, Jubilant Pharma, Nanjanagud and Vijnana Bhavan, Science Centre, University of Mysore from 08-10-2023 to 10-10-2023.

## Field Visit

Department of chemistry organized industrial visit to Mysore from 8.10.2023 to 10.10.2023. A team of 87 students and 4 faculties visited the instrumentation centre - Vijnana Bhavan Mysore, CFTRI Mysore, DFRL Mysore, and industry by the name Jubilant Nanjanagodu Mysore

List of Participants

**Nature of the Programme:** Industrial Visit to Mysore

**Organizing Department:** Chemistry

**Date:** 08.10.2023 to 10.10.2023

Dear Sir,

Warm Greetings from the Department of Chemistry, SDM College (Autonomous), Ujire, Karnataka.

I am pleased to inform you that Sri Dharmasthala Manjunatheshwara College (Autonomous), Ujire is one of the prestigious college in Karnataka, which gives quality education to students from all over India. Most of the students studying here are from rural areas with financially poor backgrounds. SDM College provides value-based education to all the students along with moral values.

As part of our curriculum, every year final year students are supposed to go for an educational visit to a reputed institution and industry. In this regard, this year we have planned our visit to Mysore. Hence a batch of 89 B. Sc. final year students along with 5 faculty members wish to visit your esteemed institution **CFTRI on 10<sup>th</sup> October 2023**. In this context, I request you to kindly give permission for us to visit your esteemed institution. We wish to visit R& D labs of Chemistry, bio-chemistry, and biotechnology departments and also instrumentation centers to look into various facilities. I assure you that our students will maintain appropriate decorum within the institution. Hence, I request you to do the needful to visit your institution so that students can gain knowledge and get motivated in higher studies in science. Looking forward to your reply.

Thanking you,

Regards,

**Dear Sir,**

Good afternoon and Greetings from CSIR-CFTRI!

Thanks for the mail and with reference to your request mail to us, We welcome the visit of B. Sc (Chemistry) students to our Institute and facilities at CSIR-CFTRI on **10th October(Tuesday) 2023 at 11AM**. Kindly keep up the date and time of the scheduled visit.

As informed, You bring smaller group of students (group of 40-45members) and not 90 members as you indicated.

You may show a copy of this email to security at the Main gate (East gate: opposite to Railway Museum on the KRS Road).

The visit will be of a general nature and of about 2 hrs in duration. Please note we expect the visiting groups to respect the Institute's discipline.

I am marking a copy to Dr. Keshava Prakash, Sr. Principal Scientist & Head, CIFS Dept and Dr. V.H. Nani Shankar, Principal Scientist and Dr. Bettadaiah Principal Scientist of PPSFT Dept. who will do the needful for visit and interaction with them.

I look forward to hearing from you for further confirmation.

Regards

**Hi Ganavi D**  
**Assistant Professor**

**Thanks for showing interest to visit our research Laboratory at Department of Studies in Chemistry, University of Mysore, Mysuru. I permitted your students and faculty members to visit my laboratory on 9th October 2023. I will also request our Vijnana Bhavan Coordinator to permit SDM college students visit to vijnana Bhavan and let you know tomorrow. This type of students visit could gain knowledge and get motivated in higher studies.**

**Thanks****Prof. K. Mantelingu**

**Subject:** Requisition letter for visiting institute

Dear Sir,

Warm Greetings from the Department of Chemistry, SDM College (Autonomous), Ujire, Karnataka.

I am pleased to inform you that Sri Dharmasthala Manjunatheshwara College (Autonomous), Ujire is one of the prestigious college in Karnataka, which gives quality education to students from all over India. Most of the students studying here are from rural areas with financially poor backgrounds. SDM College provides value-based education to all the students along with moral values.

As part of our curriculum, every year final year students are supposed to go for an educational visit to a reputed institution and industry. In this regard, this year we have planned our visit to Mysore. Hence a batch of 89 B. Sc. final year students along with 5 faculty members wish to visit your esteemed industry Jubilant on 10<sup>th</sup> October 2023. In this context, I request you to kindly give permission for us to visit your esteemed institution. Am very happy to inform you that, our 13 students working in Bangalore Jubilant. I assure you that our students will maintain appropriate decorum within the institution. Hence, I request you to do the needful to visit your institution so that students can gain knowledge and get motivated in higher studies in science. Looking forward to your reply.

Thanking you,

Regards,

--
