Subject: Seeking permission to visit your institution
To: <mdmymulvijay@gmail.com>

Respected Sir/Madam,

Greetings of the day

I am hereby sending the mail to seek permission to conduct an industrial visit to your Industry (KMF Mysore) on 12/04/2024 at 10.30am.

The group of 76 students from III B.Com and 5 staff will visit your industry for the purpose of practical exposure.

We hope that you will allow us to visit your industry. This will be a great opportunity for the students to understand the practical implementation of what they are learnt in the classroom.

Kindly let us know if there are any requirements that need to be met to have the visit.

We look forward to your permission to visit.

Thank You.

Dr.Kumara Hegde
