411 responses

21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

- Current Teaching is pretty good
- Good teaching
- Excellent
- Good teaching
- Everything is good
- Should give more examples and explain the topic.
- To improve the quality of knowledge.
- Add some extra cultural fest and programs.
- Helping us in knowing our weakness and should give advices on how to overcome come out weakness.
- Observation: always effective
- Give break for students after one period
- Equality is needed
- Everything is good.
- To make students active in classrooms
- Don't strict too much because one-degree life so doesn't strict
- A trip needed to refresh ourselves and many competitions can be conducted.
- The more encourage from teachers
- Require to adopt some western culture rather than traditional.
- Everything is good according to my experience
- Use better graphics and visual media to engage students well.
- Excellent institute
- Try to complete syllabus within working days and avoid taking special classes.
- Teaching method is good
- Require study holidays on exam.
- Conduct more cultural activities
- Completing full syllabus is main thing.
- Syllabus to be prepared as soon before the semester starts to students.
- Everything is perfect in our college
- Very well
- Teaching level okay, extra activity allowed
- Enhance communication skill. More and more use of digital media. Friendly environment for

Sri Dharmasthala Manjunatheshwara College

studying.

- Teacher should concentrate on each and every one if possible
- Good college
- Focus on more soft skill development.
- Nothing because they all are very good in teaching
- I guess there is no issue in my class because I got a very good faculty where they help a lot for our future
- Very good teaching
- Keep going
- It would be easy if the teachers provide notes before conducting classes
- More internships and practical experience.
- Some more activities and opportunity
- No changes needed
- Provide frequent updates on upcoming competitive exams and its benefits, Show simple interactive video on the topic to understand basic concepts, Use of both chalk and talk and ppt presentation depending on the mode of topic.
- Time table should be made little free.
