Greetings from Daya Special School

We, the management of Daya Special School would like to extend our sincere gratitude to the entire faculty of the department of Psychology of SDM College, Ujire for sending **Ms. Pallavi Barithaya** of I MSc Psychology for the internship for the period of 15 days i.e., from 07-02-2024 to 24-02-2024 to Daya Special School, Laila, Belthangady.

During the internship, we have observed that she is very passionate towards the implementation of her internship purpose. She has well observed the class room sessions, done follow ups and interacted with the class teachers about the children's progress and growth. Along with her work of collecting case histories and doing class room observations, she has provided her feedbacks and suggestions to our teachers to improvise the class room sessions.

We appreciate her efforts and work. We hope that she has got good exposure and able to utilize her time for learning, observing, collecting case histories and gain practical knowledge on different disorders etc. We appreciate your interest to send her to our institution and we hope we have provided a better platform to her to improve her knowledge and skills.

We wish all the success in her future endeavors.

Thanks with Regards
