

24.02.2024

To Whom It May Concern

This is to certify that **Ms. Arya K**, MSc Psychology student of SDM PG Centre Ujire, Karnataka has successfully completed Fifteen Days Internship in Department of Psychiatry a unit IQRAA International Hospital and Research Centre, Calicut from 08.02.2024 to 24.02.2024.

The hospital is NABH accredited 436 bedded multispecialty center and it has a well advanced Psychiatry department. The Department of Psychiatry provides comprehensive psychiatric care to children, adolescents and adults. The focus is on providing psychiatric and behavioral health services for all age group in a friendly and caring atmosphere. The care is customized to the patients needs using various modalities of treatment with multidisciplinary approach. The services provided by the department include all types of psychiatric disorders like mood disorders, schizophrenia and other psychosis related disorders, anxiety disorders, personality disorders, conversion disorders, sexual disorders, substance use disorders, etc.

On our evaluation we found that the student has taken keen interest to study the area of her training. Her overall performance was found good.

We wish her all success
