CERTIFICATE OF INTERNSHIP

This is to certify that **Ms. Kathyayani**, pursuing MSc psychology from SDM PG centre has successfully completed **26 days** (from 05/02/2024 to 01/03/2024) of service as a part of the internship program at our organisation.

Kathyayani provided valuable classroom support by offering individualized instruction to two students. She demonstrated strong adaptability, tailoring her approach to accommodate each student's learning preferences and requirements, including the use of assistive technologies like Avaz. Furthermore, she took the initiative to create customized learning materials for a student, incorporating educator feedback to ensure optimal alignment with the student's needs. An area for potential development lies in Kathyayani's instructional delivery. While she effectively utilizes resources like readings and visuals, incorporating interactive elements into her explanations would further enhance student engagement and participation.

We wish them all the very best in all their future endeavours.
