- Institutional priority to implement innovative practices to make carbon neutral campus
- Institutional obligation towards energy conservation, alternative uses of energy, green cover and botanical gardens, water conservation, management of hazardous waste, reduction in the use plastic products, rain water harvesting and organic waste management

Policy Outcome

Committee to Execute Sustainable Environment

- Institution has constituted a committee to execute sustainable environment
- Botany staff, students of eco-clubs, language staff, commerce staff, student' groups engaged in eco-friendly activities, Engineering Staff, Computer Science staff represent this committee
- Subject experts designated by the SDM Educational Society will be part of the committee

Carbon Footprint App

- The survey to be conducted through Carbon Footprint App
- Institution will initiate eco-friendly programs based on the survey and its comprehensive analysis

Institutional initiatives of greening the campus

- Institutional commitment in restricting automobiles, administrative encouragement for the usage of bicycles, noble outlook of pedestrian friendly paths, eco-friendly initiative of banning plastic within the campus and preserved natural beauty with trees and plants are the reflections of the SDM Institutional signature identity in constructing green culture
- Complete implementation of norms with regard to the institutional restrictions on automobile movements.
- Signboards, strict supervision of security guards, awareness among teaching and non-teaching staff, priority through academic and cultural programs are the prime footsteps of the Institution.

- Provision for the usage of bicycles and motivational measures to influence students, teachers and non-teaching staff to avoid over dependency on anti-environment vehicles are prime initiatives of the Institution
- Wider outlook of both PG and UG wings with pedestrian friendly pathways is the exclusive facet of the campus
- Eco-friendly Identity reflected through trees and plants across the campus consisting both PG-UG wings and arboretum portraying green diversity

Quality audits on Green, Environment and Energy

- Audits conducted once in a five-year in phased manner
- Energy Audit
LED bulb usage, Electrical execution with standard qualitative eco-friendly products, replacement of old equipments, regular servicing to re-energise electrical devices, awareness initiatives on the usage of electrical equipments are prime features of Institutional eco-friendly gesture strengthening the concept of energy saving.
- Green/ Environmental Audit
The comprehensive survey conducted on plant diversity available in the campus. The data has portrayed significant facet of the greenery and projecting Institutional commitment towards Green Culture. The comprehensive survey of carbon footprint projected the Institutional concern and commitment in reducing carbon dioxide emissions.
Water, waste and biodiversity audits ensured eco-friendly role of the Institution
- Beyond the campus eco-friendly initiatives
Vanamahotsava, Seedball campaign, community relations programs on Environmental Consciousness in rural parts, Swachha Bharat Summer Internship Works, NSS and NCC eco-friendly initiatives reflecting Institutional unique identity in making awareness on Environment beyond the campus
