(Autonomous)

(Re-Accredited by NAAC at 'A' Grade with CGPA 3.61 out of 4)

DEPARTMENT OF P G STUDIES IN SOCIAL WORK

**SYLLABUS FOR
MASTER OF SOCIAL WORK (MSW)
(I to IV Semester)**

**Under CHOICE BASED CREDIT SYSTEM
(To be effective from the Academic Year 2016-17)**

Preamble:

The University Grants Commission, New Delhi, has directed all Universities in the country to implement the Choice based Credit system (CBCS, semester scheme) in both under –and post-graduate programme and has been issuing a series of guidelines with regard to this. The higher Educational Council, Government of Karnataka has considered the implementation of CBCS and has organized workshops in this regard. The Choice Based Credit System enables the degrees of Mangalore University to be on par with the global standards. Given the present trend of globalization, it is all but fitting that Mangalore University should adopt the CBCS so that the acceptability of the programmes and degrees offered by the University becomes comparable and readily acceptable. The University considered the feasibility of CBCS at several levels and through the meeting of several of its statutory bodies. In view of this the PG Board of Studies in MSW has prepared the syllabus and scheme of examination for CBCS.

Title and Commencement:

These regulations shall be called “The Regulations Governing the Choice Based Credit System for the Two Years (four semesters) Post Graduate Degree Programmes in Social Work.

The course shall be called ' **Master of Social work**' leading to '**MSW**' Degree. These regulations shall come in to force from the academic year 2016-2017.

Definitions:

1. **Programme:** An educational programme leading to MSW Degree.
2. **Semester:** Each semester will consist of minimum of 16 weeks of academic work equivalent to 90 days of actual teaching/instructions days. The odd semester is ordinarily scheduled from July to December and even semester from January to June.
3. **Credit:** A unit by which the course work is measured. It determines the number of hours of instructions required per week.
4. **Course:** A unit of study (earlier called a “paper”)within a subject carrying a

fixed number of credits.

5. **Core Course** is related to the discipline of programme. This is further divided in to :

Hard Core: These Cores are compulsorily studied by a student as a core requirement to complete the requirement of a programme in a said discipline of study.

Soft Core: These courses are electives and related to the discipline of the programme. 6. **Open Elective:** A course to be opted by the student from out of the choices offered by other departments.

Eligibility for Admission:

Master of Social work- MSW: Candidates who have passed any bachelor Degree examinations of Mangalore University or any other University considered as equivalent there to are eligible for the programme provided they have secured a minimum of 45% (40% for SC/ST/Category –I candidates) marks in optionals. Selection of candidates shall be on merit-cum reservation on the basis of 50:50 weightage of marks in the entrance and qualifying examinations.

Selection Procedure:

Candidates will be selected for admission as per the general guidelines of the Mangalore University from time to time. The Department shall conduct objective type entrance examinations for all candidates seeking admission to the M.S.W. programme. While selecting the candidates 50% is considered for Academic performance at the Graduation level and 50% is for Entrance Examination (CET) will be considered.

Duration of the Course:

The duration of Master Degree Programmes shall extend over four semesters each of a minimum of 16 weeks (90 actual working days) of instruction and 2 to 4 weeks for preparations and examinations.

MAXIMUM PERIOD FOR COMPLETION OF THE PROGRAMME:

The candidate shall complete the master Degree Programme within 5 years from the date of admission to the programme or within the period as prescribed in the regulations governing maximum period for completing various degree/diploma programmes of Mangalore University.

Medium of instruction : The medium of instruction shall be English/Kannada.

ATTENDANCE:

Each course (theory, practical etc) shall be treated as an independent unit for the purpose of attendance. A student shall attend a minimum of 75% of the total instructions hours in a course including tutorials and seminars in each semester. There shall be no provision for condonation of shortage of attendance and a student who fails to secure 75% of attendance in a course shall be required to repeat that course to accrue the credit.

Objectives of the Course:

- To impart education and training in Professional Social work to those desirous of making a career in the fields of Social work.
- To provide inter-disciplinary collaboration for better understanding of human problems services and issues related to human development.
- To provide opportunities through intensive field practicum to work with variety of people in their development and provide service to those who are in need of it.
- To provide inter-disciplinary collaboration for better understanding of human problems, services and issues related to human development
- To promote among students a sense of dedication and commitment for appropriate service to the cause of the poor, under privileged and disadvantaged sections of the society.
- To acquire knowledge and skills in undertaking practice-based research and to administer human service organizations

Course Pattern:

There are four theory paper and one field work practicum for 1st and 4th semester and Five theory paper and one field work practicum 2nd and 3rd semester. All the students have to compulsorily undertake the study of all the courses offered in each semester.

The students have to opt for one of the following three specializations:

CD	–	Community Development
MPSW	–	Medical and Psychiatric Social Work
HRM	–	Human Resource Management

The students recruited on the basis of their option for a specific specialization will undergo the course that come under that specialization.

1. Each Post Graduate programme will comprise “core” and “elective” courses. The “Core course” will further consist of “hard” and “soft” core courses. Hard Core course have 4 credits. Soft core course have 4 credits. Open Electives have 3 credits each. Total credit of the programme is 86 including open electives.
2. Core Course is related to the discipline of the programme. This is further divided into Hard core and Soft core. Hard core courses are compulsorily studied by a student as a core requirement to complete the requirement of a programme in a said discipline of study. Soft core course are elective but related to the discipline of the programme. Open elective is a course chosen from an unrelated to the discipline.
3. Out of the total 86 credits of the programme, the hard cores is 44 Credits(51.16%) of the total credits, soft core is 32 Credits (37.20%) the open electives have fixed 6 credits (3 credits*2 courses), Project Work has 4 Credits (4.65%).

Guidelines for choice of specialization in 2nd year MSW:

The Department/ College shall provide choice to the students to opt specialization in 3rd and 4th semester. There shall be 3 specialization offered by the department / college and equal number of students shall be allotted to each specialization from among the students admitted to third semester. While allotting students in different specializations, the department / college shall take into consideration the marks/ result of students in the first semester as criterion for making choices and offer specialization in case of greater demand for a particular specialization. The choices of the students may be obtained by end of the second semester in order of preference. The student list allotted for each specialization has to be communicated to the Registrar Evaluation, SDM College,Ujire10 days after the commencement of the third semester.

Concurrent Field Work Practicum

A distinctive feature of instructional programme in Social Work is the emphasis laid on Social Work Practicum. A student shall be placed in a community / Organization to gain experience of working with the people at individual, intra-group, community and organizational levels during the first two semesters and in a setting appropriate to their specialization during the last two semesters. Concurrent Field Work Practicum means two days in a week is set aside for field work practicum. Students are required to go specified field work agency assigned to them by the Department / college to do their field work practicum.

The agency / institution so allotted should be communicated to the faculties and students of of the department in every semester after the allocation in the beginning of semester.

Scheme of Examination and Evaluation

Theory Examination:

Each Theory course shall carry a maximum of 100 marks out of which 30 marks shall be for internal assessment. The remaining 70 marks shall be for Semester examination.

Semester examination shall be conducted as per the rules and regulations prescribed by the University.

Question paper for the Sem examination is of three hours duration shall be set as per the model given below

It was consist of four Section, where Section A shall be based on 5 compulsory questions with two marks each($2 \times 5 = 10$ marks).Section B consists of 4 questions, where three questions has to be answered carrying 5 marks($3 \times 5 = 15$ marks),Section C consists of 4 questions there 3 questions has to be answered which carries 10 marks each ($10 \times 3 = 30$ marks) and in section D consists of one question which carries of 15 marks

(15x1=15marks),total score=70 marks.

Internal Assessment (Theory): The internal assessment of 30 marks shall be based on two compulsory tests. Test papers shall be set and evaluated by the concerned teachers and shall carry 20 marks. Assignment will be conducted by the concerned teacher for 10 marks.

Assessment of Concurrent Field Work Practicum: The performance of the students in field work practicum shall be assessed in two ways. The internal faculty supervisor will assess the student out of 30 marks for field work. The Evaluation report should be submitted to The Registrar Evaluation,SDM College. The viva voce examination during every semester shall carry 70 marks each. It shall be conducted by a team of two examiners approved by the BOS.. The viva voce examination will ordinarily be conducted in the College. The vivavoce would cover Social Work Practicum and the social work theory during respective semesters.

Compulsory Research Project:

1. The research project offers students an opportunity to plan a study, prepare research tools, collect data in the field, analyze the data, and write up the project under the guidance of the faculty.
2. The research project shall be based on quantitative research methods. However a mixed method approach, making use of both quantitative and qualitative data may also be permissible. The sample size for quantitative research shall not be less than 60 respondents. In qualitative research method the candidate has to take minimum 10 case studies in elaborative manner. Focused Group Discussion (FGD) tool can also be adopted concentrating on at least 10 groups.
3. A Student select the research topic in the second semester itself in consultation with the faculty in charge of each specialization and report the same to the head of the institution in writing. The tools of data collection should be finalized and

data collection shall be completed during the summer holidays at the end of the 2nd semester MSW.

4. Two Bound copies of the research project duly signed by the Research Guide and certified by the Head of the Institution/ Chairman of the Department should be submitted to the University Department at least one week before the last working day of the IV semester.

Assessment of Research Project: Research Project will be assessed by the internal guide for 30 marks and by 2 external examiners for 70 marks during the viva voce examination held along with the field work viva voce examination of the IV semester.

Block Placement (Internship): The Block Placement (Internship) aims to provide an opportunity to experience day-to-day work in a social work setting. The learner gets involved with direct practice with the client system and with the ongoing management operations of the setting. It also enables learners to integrate learning and generate newer learning by participating in the intervention processes over a period of 4 weeks (one month) continuously, in a specific agency. Block fieldwork is provided at the end of the two-year programme, before the end of practical examinations of the fourth semester. There is 10 marks set aside for in Concurrent field work practicum. After completion of the Block Placement, each student shall be required to submit a detailed report along with the attendance certificate issued by the agency to their concerned college/Department Head, before attending the Viva voce examination.

I Semester MSW

Note1: Internal assessment of Theory papers 30 mark is allocated as follows:-

20 mark for 2 internal assessment tests
10 marks for assignment.

Note2: Concurrent field work practicum:

The details of Institution/ community allotted for Concurrent field work practicum should be communicated to the Registrar, SDM College in the beginning of each semester.

Internal assessment of 30 marks is to be allocated by Faculty supervisor based on the performance of the student in the concurrent field work practicum and the Field Work evaluation report should be sent to the Registrar, Evaluation SDM College before the commencement of theory examination along with the internal marks allotted to the student.

A distinctive feature of the social work programme is its strong emphasis on concurrent social work practicum including Case work, Group work and Community programme.

The Field work diary has to be maintained in the following format:

The format has to be bound in a book form and the number of weeks with one page per day of field work.

The page should be signed by the Social Work trainee and Agency supervisor with date and organization seal.

The field work report should have the following content:

Detailed Field Work report followed by Self Evaluation.

Each field work report should be duly signed by the faculty supervisor in the weekly conferences held immediately after the field work days.

II Semester MSW

Note1: Internal assessment of theory paper 30 mark allocated is as follows:-

20 mark for 2 internal assessment

testes 10 marks for assignment.

Note 2: For field work practicum:-

Internal assessment of 30 marks is to be allocated by Faculty supervisor on the following criteria.

20 Marks for fieldwork

10 Marks for Rural / Tribal exposure camp. Each student has to prepare a document report based on their camp experience.

In the second semester a student besides the Concurrent Field work practicum has to compulsorily attend the Rural/Tribal exposure camp for a period of 6 days. Students who do not attend Rural/Tribal exposure camp are not eligible to attend the field work viva voce examination.

Field Work evaluation report should be sent to The Registrar (evaluation), SDM College, Ujire ,at least one week before the commencement of theory examination.

Field work Viva voce examination:

There will be Viva Voce examination for Concurrent Field Work Practicum for 70 Marks. The Examination will be conducted by any two examiners approved by Registrar (evaluation). The examiners should go through the records to ascertain 240 hours (30 days including days for rural/ tribal camp) of concurrent field work completed within the weeks of that semester; The Field Work Dairy should bear the signature and seal of the agency where the student has done his/ her concurrent field work. In case of semesters having rural/tribal camp/ study tour a certification by the head of the Department.

III Semester MSW

In the 3rd and 4th semester a student has to select agency appropriate to their specializations i.e. for HR specialization a student should select a middle or large

Industry to do their field work practicum. Students who have opted for medical and psychiatric social work have to select a large hospital offering medical and psychiatric services. Students who have opted for Community Development specialization have to select an NGO working in development sector or in an open community affiliated to local Self Government.

Note1: Internal assessment of theory paper 30 mark allocated is as follows:-

20 marks for 2 internal assessment tests and 10 marks for assignment.

Note 2: Concurrent field work practicum:-

20 Marks for fieldwork

10 Marks for study tour Each student has to prepare a document report based on their study tour experience

In the Third semester a student besides the Concurrent Field work practicum has to compulsorily attend the study tour for a period of 5days. Students who do not attend study tour are not eligible to attend the field work viva voce examination.

Field Work evaluation report should be sent to the Head of the Department at least one week before the commencement of theory examination.

IV Semester MSW

Note1: Internal assessment of theory paper 30 mark allocated is as follows:-

20 marks for 2 internal assessment tests
10 marks for assignment.

Note 2: Concurrent field work practicum:-

20 Marks for fieldwork

10 Marks for Block Placement.

Internal assessment of 30 marks is to be allocated by Faculty supervisor based on the performance of the student in the concurrent field work practicum and the Field Work evaluation report should be sent to the Head of the Department of Post Graduate Studies in Social Work and to the Registrar Evaluation SDM College at least one week before the commencement of theory examination along with the internal marks allotted to the student.

There is 10 marks set aside for Block Placement. After completion of the Block Placement, each student shall be required to submit a detailed report along with the attendance certificate issued by the agency to their concerned college/Department Head, and the same should be forwarded to the chairman, department of Social Work at least 3 days before the commencement of Social work Practicum IV (Concurrent field work and Block placement viva-voce Examination)

Research Project:

1. The research project offers students an opportunity to plan a study, prepare research tools, collect data in the field, analyze the data, and write up the project under the guidance of the faculty.
2. A Student select the research topic in the second semester itself in consultation with the faculty in charge of each specialization and report the same to the head of the institution in writing. The tools of data collection should be finalized and data collection shall be completed during the summer holidays at the end of the 2nd semester MSW.
3. Two Bound copies of the research project, duly signed by the Research Guide and principal or head of the institution should be submitted to the Registrar, Evaluation SDM College Ujire on or before the last working day of the IV semester.

SWS404-B: COMMUNICATION SKILLS FOR SOCIAL WORK PRACTICE

Objectives:

- Acquire understanding of various methods of communication and competence to use the same.
- Understand and appreciate the role of communication in development
- Acquire knowledge of different forms of communication and their use in the process of development and social change.
- Development and ability to assess critically the utilization of communication media by the government and non – government sectors in the process of development.

Content

Unit -1

Communication: Meaning, Nature, Importance and Purpose of Communication, Types of Communication, Communication Channels, Process of Communication, Verbal and Non-Verbal Communication, Barriers to Communication, Essentials of Good Communication, Communication Techniques. Models of Communication

Unit-2

Types of communication: Intra-personal, Inter – personal communication- Interview, speech, workshop, demonstration, meeting panel discussion, simulation games, debate, role play and street theatre. Visual aids: Posters, slides, photographs, exhibits, flash cards, flannel graphs, flip charts, notice boards,

Unit -3

Effective Writing Skills: Elements of Effective Writing, Main Forms of Written Communication: Agenda, Minutes, Notices, Writing of CV, Memo, Drafting an E-mail, Press Release.

Unit -4

Mass media- Concepts, characteristics and Relevance, Correspondence: Personal, Official and Business, Report Writing. Communication Network in an Organization, Strategy for Effective Communication.

Assignments

Writing CV· Memo Writing· Letter writing (Employment related correspondence, Correspondence with Govt. /Authorities, Office Orders, Enquiries and Replies)
· Business Letters· Preparing Agenda for Meetings· Essay Writing· Report Writing· Press Release

II SEMESTER

SWS451: COMMUNITY ORGANIZATION AND PRACTICE

Objectives:

Understanding the concepts related to working with Communities and processes involved in it.

To make students understand the use and practice of Community Organization in various fields of Social Work.

To provide the knowledge about the role of Social Worker in Social Change and Social Development.

To familiarize the emerging trends and experiments in Community Organization.

To introduce various aspects of Social Action as an effective method of Social Work.

UNIT-1

Communities in India: Concept of Community, Community Work: Community Development, community Welfare: Community power structure and Dynamics: Social Work curriculum - theory, practice (field work) supervision, reporting, and conference. Rural Community: Its structural and functional aspects. Urban Community: Nature, Structure and problems, Tribal Community: Nature and problems.

UNIT-2

Organization, Community organization - concept, meaning, definition, scope, principles and its relevance. Process or phases of community organization. Study and survey, analysis, assessment, discussion, organization, action, reflection, modification continuation. Models of community organization: Locality Development, social planning, social action. Gandhian models, Political and Democratic Models.

UNIT-3

Roles and Skills:Methods of community organization – awareness creation, planning, education, communication, participation, leadership, resource mobilization, community action, legislative and non legislative actions.

Role of Community Organization Practitioner: Enabler, facilitator, guide, researcher, moderator, philosopher, activist.

Skills of Community Organization Practitioner: Skills in community organization. Organizing, communication, training, consultation, public relations, resource mobilizations, liaison, conflict resolution.

UNIT-4

Strategies

Strategies and Tactics: Individual contact, Conscientization, Negotiation, Collaborative, Pressure, Advocacy, Legal sanction, Public relations, Political organization, Conflict resolution, Violence, Peace initiative. Contextual usage of strategies.

SWS 453: SOCIAL WORK RESEARCH AND STATISTICS

Objectives:

- Understand role of research as a method of social work profession.
- Acquire research knowledge and skills to be able to undertake independent research projects.
- Become familiar with some of the basic statistical technique and their application in field of social work research and social work practice.

Course Content

Unit -1

Social Work Research: Meaning, definition, objectives, uses, scope and ethics of research. Scientific characteristics of research, Process of research: Deductive and Inductive. Types of research: Basic, Action and Applied. Quantitative and Qualitative Research. Problem identification: Criteria for the selection of research problem; Problem formulation. Basic elements: Concepts, constructs, variables, Hypothesis Preparation of research proposal – Its format and steps. Pilot study and Pre-testing.

Unit -2

Research Design: Definition and importance; types of research design; exploratory, descriptive, experimental and diagnostic research design

Sampling: Sample and population: Rationale and Characteristics of sampling; methods and techniques of sampling.

Data Collection – Methods and Techniques, Sources of data (Secondary and Primary)

Tools of data collection: Observation, Interview, and Questionnaire

Unit -3

Data Processing: Editing, coding, data classification, tabulation of data, diagrammatic and graphical presentation, Data Analysis & Interpretation.

Research Reporting, Purpose of research report, Principles and procedures to be followed in writing scientific research report, Use of computer in data processing.

Unit -4

Statistics: Meaning, Definition, importance and application of social statistics for Social workers. Measures of Central Tendency Arithmetic mean median and mode. Measures of Dispersion: Range, quartile and standard deviations. Chi Square: Uses and applications. Applications of Karl Pearson's correlation test in social work research

III SEMESTER

SWS501: PROJECT PLANNING AND MANAGEMENT

Objectives:

- Acquire knowledge and skills required to facilitate participatory project planning and management.
- Develop competency to facilitate processes of participatory planning with varied groups.
- Imbibe values and attitudes that are essential for participatory intervention in society.

Unit: 1

Project Planning and Management. Concepts, Components Classification of Projects, Project Cycle. Participation Project Planning and Management. Non Participatory Project Planning.

Unit: 2:

Process of Project Formulation : Participatory Study / Assessment of Situation . Problem Identification and Problem Analysis: Cause / Effect analysis, Problem Statement, Stake Holder Analysis, General and measurable Objective, Analysis of Alternatives, Ways of achieving objectives: Force Field Analysis, Choice of Alternatives.

Unit: 3:

GANTT Chart, Personnel Plan, Financial Plan, Participatory Monitoring Plan, Planning for evaluation, Criteria and means of evaluating, Break even analysis. PERT, Uses of PERT in monitoring and evaluation

Unit 4:

Project Matrix: A Synthesis of Project Plan:Vertical Logic: Inputs, out puts, purpose, goalHorizontal logic: Narrative summary, Verifiable indicators. Means of Verification, Assumption and Risk factors.

Designing Project Proposal:

Production oriented Micro Enterprises, Projects on Education/ Training/ Entrepreneurship Development, Organizations and Empowerment of Marginalized. Project Planning formats and requirement of funding organizations.

SWS 504 : HUMAN RESOURCE MANAGEMENT AND HUMAN RESOURCE DEVELOPMENT

Objectives:

- Develop knowledge and understanding of the nature and functions of Personnel Management.
- Develop knowledge of modern aspects in Human Resource Development

Course Content

Unit I

Introduction to Human Resource Management: Introduction, Concept of Human Resource Management, Scope of Human Resource Management, Function of Human Resource Management, Role of HR

Unit II

Functional areas of Personnel Management:

Human Resource Planning: Process of Human Resource Planning, Need for Human Resource Planning, Job analysis, HR Forecasting Techniques, Successful Human Resource Planning

Recruitment and Selection: Concept of Recruitment, Factors Affecting Recruitment, Sources of Recruitment, Recruitment Policy, Selection, Selection Process, Application Forms, Selection Test, Interviews, Evaluation, Placement, Induction

Training and Management Development: Meaning of Training, Area of Training, Methods of Training, Evaluation of Training, Standard operating procedures

Compensation Management: Wage and Salary Administration, Managing Wages, Concept of Rewards and Incentives, Managing Benefits in Organisations

Promotions, Transfers, Demotion, Separation : a) Retirement b) Superannuation c) Resignations d) Exit Interviews

Unit III

HRD : Meaning, Definition, Objective Process and designing HRD systems.HRD Department and its Functions. Effective Team building, Managing dissatisfaction, frustration, Conseling Behaviours improvement in productivity. Employee Morale and Motivation. **Employee Career Planning and Growth:** Concept of Employee Growth, Managing Career Planning, Succession Planning

Unit IV

Performance Management, Development of Key Result Areas (KRA), goal setting and Monitoring, Performance appraisal, its importance as a tool in HRD 360⁰ appraisal. Changing concepts in Management: TQM, 5 S, Competency Mapping, Business Process Outsourcing, Right Sizing of Workforce, Flexi time, Talent Management, Employee Engagement

SWS 507: LABOUR LEGISLATIONS (PART-1)

Objectives:

- To gain knowledge of Industrial jurisprudence and need of labour legislations
- To gain knowledge about labour administration and mechanisms.
- To develop skills to deal with legislative functions.

UNIT-1

Growth of Labor Legislation in India: Historical perspective;
Philosophy underlying **labor** legislation before and after independence,

UNIT-2

Welfare Legislations:

The Factories Act 1948;

The Apprentices Act 1961,

The Contract Labour (Regulation and Abolition) Act 1970;

UNIT-3

The Mines Act 1952;

The Plantation Labour Act 1951;

The Karnataka Shops and Establishment Act 1961

UNIT-4

Industrial Relations Legislation:

Trade Union Act 1926;

The Industrial Disputes Act 1947;

The Industrial Employment (Standing Orders) Act 1946;

SWS 553: LABOUR LEGISLATIONS (PART-2)

Objectives:

- To gain knowledge of Industrial jurisprudence and need of labour legislations
- To gain knowledge about labour administration and mechanisms.
- To develop skills to deal with legislative functions.

UNIT-1

Industrial jurisprudence- meaning and principles need for labour legislation, judicial setup and Administration of Industrial Judiciary in India.

UNIT-2

Wage Legislation: The Payment of Wages Act 1936;

The Minimum Wages Act 1948;

The Payment of Bonus Act 1956.

UNIT-3

Environment Protection Related Legislation:

The Environment Protection Act 1986;

Holidays legislation: weekly holidays act 1942,

National and festival holidays act 1963

UNIT-4

Social security legislations:

The Workmen's Compensation Act 1923;

The Maternity Benefits Act 1961;
The ESI Act 1948;
The EPF and miscellaneous provisions Act 1952;
The Payment of Gratuity Act 1972.

SWS558: RESEARCH PROJECT

Introduction:

Research skills are very important for the practice of professional social work. In addition to the theoretical input, an option is given to the students to acquire research skills by doing the work as part of their academic activity.

Objectives:

Develop ability to conceptualize, formulate & conduct simple research projects.

Learn to make informal assessment & judicious use of research studies & findings on a particular subject/area.

Develop skills for use of library & documentation services for research

Develop attitudes favorable to the judicious integration of practice, research & theory. Develop ability for logical reasoning & critical analysis.

Common Guideline for Research Project:

A Student who opts for the Research Project as an elective shall select the research topic in the third semester itself in consultation with the faculty in charge of each specialization and/or guide and report the same to the head of the department/College Principal in writing. The topic of such research project shall be relevant to the specialization group opted by the student.

The topic of such research project shall be finalized only after the University/College approves the same. The tools of data collection should be finalized and data collection shall be completed at the end of the third semester. The student has to submit two bound copies of Research Dissertation to the Head of the Department/College Principal on or before the last working day of the IV semester in a prescribed format below. Each student shall be compulsorily supervised in their Research Project by the faculty who are eligible to guide. Each college/ university department has to prepare a list of eligible faculty members to guide the research project and get

approval from the Chairman of Department of Social Work Mangalore University.

Note: A faculty is eligible to guide research projects if he/ she have:

1. A PhD in social Work or
2. NET/ SLET qualification or
3. At least 5 years of teaching experience.

Common Format of the Research Project:

Each Research Project shall consist of the following sections.

Section I: Preliminaries

Section II: Body of the Report

Section III: Annexure

Section-I: It is a formal general section and shall have the following details;

1. Title page
2. A Face sheet having details regarding the title of the study, name of the researcher with
3. Register number, name of the guide, department, and institution through which the study
4. Has been undertaken under University, year of the work.
5. Forward/Acknowledgement
6. Table of contents with Page Numbers
7. List of Tables, Charts, Graphs
8. Certification from the guide
9. Certification from the agency where study has been carried out (certificate is not compulsory in case of the topic related to the open community)

Section-II: it is a formal technical section which shall consist of the following chapters;

1. Introduction
2. Review of literature.
3. Methodology
4. Data presentation & analysis
5. Major Findings & conclusions reached suggestions or recommendations.

Section (Annexure)-III: This section shall consist of all such additional information that is

not disclosed in the body of the report.

- a. A copy of the tool/tools of data collection.
- b. Additional statistical tables.
- c. Bibliography
- d. Photogr
