Principal's Desk

Greetings to all

In a matter of 15 days, our students will complete their examinations and are planning for compulsory internships in their chosen organisation. If not done, contact your mentors. You can take the help of HODs and the Chief of career guidance centres. This exercise will expose you to comparing what you have studied and learnt in college and how it is reflected in the organisational functioning and the practices they adopt to achieve their business/organisational goals and objectives. By this time, you are all aware of the hectic activity going on in the college regarding NAAC related work. We have an active Data Centre, pooling, editing and preparing the SSR to be uploaded to the NAAC. Submission of the SSR is mandatory, but the way we submit it reflects our commitment to quality. We practice in our college.

Dr. P.N. Udayachandra
