Principal's Desk

Dear Students,

Greetings

During the vacation, you had the opportunity to undergo the internship in the chosen organization. By this time, you are a bit familiarized with the functioning of the organization and the subjects you have studied in the campus. Internships are the tools to bridge the gap between the theoretical academics and the practical world.

Those who are entering into the 6th semester need to focus on building their career.

It's the time for you to choose the options like a) Higher studies b) Career c) Self employment

- The opportunity to pursue higher studies requires the clearing of entrance test like PG CET, CAT and MAT. Devote time to study both your subjects as well as entrance tests.
- Those who want to explore career through campus placement, need to focus on the campus placement tests by contacting the HRD Cell in the campus.
- Those who aspire for creating own enterprises need to consult the RUDSETI, Ujire

For any further clarifications and support contact your HODs.

All the very best wishes.

Dr. P.N. Udayachandra

Principal

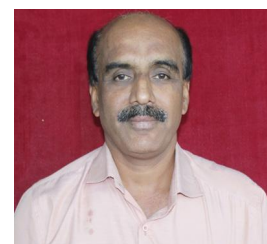

Kreeda Poshaka Award

It's a proud moment for all of us. The SDM Educational Trust has won the prestigious "Kreeda Poshaka Award - 2021-22". SDM Educational Trust under SDM Sports Club and its many initiatives have been instrumental in finding the talents and provide best of the training facilities. As a result, one may see several national and international sportspersons shining at national and international levels. The Sports club sponsors several events and organises events at Ujire. The college provided scholarships and freeships for achievements in sports. A free hostel and coaching facilities are for the students, and they are also given special attention in academics. The college sports facilities include Sri Ratnavarma Heggade Outdoor stadium with 400 Mts track and facilities for all track and field events, Indraprastha Auditorium for all indoor games, a swimming pool, multi-gym and separate, free hostel facility for boys and girls. Trained coaches are appointed, and dietary facilities are provided for the physical fitness of the athletes. SDM E Trust, under the able leadership of Dr D Veerendra Heggade, Sri D Harshendra Kumar, Prof. S Prabhakar and Dr B Yashovarma has been constantly supporting every initiative in sports on the campus and this award befittingly recognises the philanthropic initiatives rendered by the management in the field.
