About the Departments

The Departments of Physics and Chemistry were established since the inception of the college in 1966. Having spacious laboratories, well equipped with quality instruments, the departments are empowering the students through ICT based effective teaching learning process imparting quality education which focuses on top class quality jobs. The departments provide ample opportunities for skill development of the students by organizing Intra College and Inter College programmes and competitions. Both Physics and Chemistry departments provide opportunities for Post Graduate studies in Physics, Chemistry and Organic Chemistry. Both these departments are recognised research centres of Tumkur University. The departments are recognised under Star College Scheme of the Department of Biotechnology (DBT) Government of India, for improving critical thinking and 'hands on' experimental work in undergraduate level. The department of Physics is also recognised as the Centre for Innovative Teaching by DST, Government of Karnataka.
