Student attributes facilitated by the Institution

The founding principle of SDM College, Ujire is reflected in the motto: “**Samyak Darshana Jnana Charitraani**” (right perception, right knowledge, and right conduct). The ideals of orienting students in knowledge, conduct, and proper perception, empowering the youth to play a proactive role in their adult life are always kept in mind.

The college endeavours to build independent social human beings through imparting strong ethical, moral education by following various institutional principles in order to contribute to the highly cultured human resource.

The institution provides various platforms to develop personality along with academics.

- The core values of the college, i) not to take success for granted and not to be complacent ii) not to rest on laurels iii) not to slow down or give up iv) to add value to the work and try to be active v) and to keep the learning curve moving vertically are reflected in the deeds of the students during their graduation.
- Students are facilitated to become responsible citizens with a deep sense of loyalty and commitment toward nation building
- The democratic spirit among the students is practiced through the student union and its election procedure
- Through our alumni associations and chapter abroad, students are facilitated and guided to enroll overseas for Higher education; and our alumnae occupy eminent positions globally.
- The values of civic sense, respect, honesty, service to society, the spirit of inquiry, continuous improvement, value practices, social responsibility, etc., are imbibed into the characters of our students. Our vision “**Empowerment through competency building with ethical foundation**” is internalized.
- Inculcation of social responsibility is ensured through NCC, NSS, Rovers & Rangers, Indian Red Cross Units, Students Activity Forums.

- In order to develop love for culture, art and literature college has centres for Yakshagana, Drama, Music and Dance
- To create competent graduates and future leaders with sense of value, innovativeness, critical thinking, experimentation, scientific temper, domain knowledge, latest developments in agriculture, industry and service sector novel schemes such as field visits, village adoption, school adoption, Industrial visits and social work.
- The idea of the global village is realized even within the ambit of an education institution in spite of being situated in the rural atmosphere, the college has modernised its academic set up with tools such as ICT - Internet, projectors, Google Classrooms/Meets, Ted Lecture, Youtube, Online Courses etc. This has opened unforeseen possibilities for the youth to access knowledge, share experiences.
- To create responsible citizens, college has oriented the students to practice low food wastage in hostels, management of rainwater harvesting in the college, participation in Swachh Bharath Abhiyan, anti-drug abuse, minimal usage of electricity in the college, through the continuous implementation, monitoring efforts of **Social Responsibility Initiatives Committee** of the college.
- The new concept called – “**The Wall of Goodwill**” is established in the college campus to inculcate a **sense of service to the society** and help the needy by donating and displaying materials such as books, clothes, stationary etc.
- To develop the oratory skill and rationalism, **value speak, current affairs presentation, oath taking ceremonies, civic awareness programs** are conducted regularly
- The HRD Cell, facilitates with aptitude training, campus selections, interpersonal and soft skills development activities, excel training, job fairs and motivates for self-employment, employability, and entrepreneurship for the students which is the result of vision of the college.
- Various departments have established MOUs with prominent institutions and organizations, in order to expose the student community for participating in seminars, workshops and academic activities.
- The college focuses on continuous improvement through comprehensive feedback and guarantees growth opportunities and excellence in every field of employment and higher studies for the students. The success of the students with ethical values in their various endeavours is a prevailing attitude of the institution.
