

### Principal's Desk

#### Voting - a sacred right and duty

Elections are due in the second week of May 2023. Thousands and thousands of fresh voters are eagerly awaiting to exercise their franchise. For an election to be successful and democratic, voters must understand their rights and responsibilities and must be sufficiently knowledgeable and well informed to cast ballots that are legally valid and to participate meaningfully in the voting process. Educating voters is mandatory in every election. Voters awareness campaign include providing information on who is eligible to vote, where and how to register, how electors can check the voter list to ensure they have been duly included ; what type of elections are being held, where, when and how to vote; who are the candidates are and the mechanism of functioning of electronic voting machine etc.

As the saying goes, knowing is everything - knowledge is power, it is mandatory for each and every voter to realise the importance and the sanctity of vote that he/she cast as it is going to decide the fate of the state for the ensuing years. Hence be aware of this precious duty and cast your vote to the right candidate to strengthen the values of the democracy.

Dr B A Kumar Hegde,

Principal

## MAAM Inspire Awards

- Indudhar Kini, Assistant Professor in the department of B.Voc in Digital Media and Film Making has been awarded the 'MAAM Inspire Award 2023' for his excellence in the field of Journalism. The Media Alumni Association of Mangalagangothri (MAAM) gives this award. This award is given to graduated students of Journalism and Mass Communication for their extraordinary contribution to media during their student days. Indudhar Kini completed his MA-JMC at Alva's College Moodbidri in 2022.

- Four students of Journalism and Mass Communication bagged the prestigious 'MAAM Inspire Award' for the year 2020-21 and 2021-22. Ms. Rashmi Yadav (UG Journalism), Ms. Chaithra, Mr. Swasthik Kanyadi (PG Journalism) for the year 2020-21 and Mr. Sham Prasad H.P (UG Journalism) for the year 2021-22 are the award winners.

Ms. Rashmi Yadav

Ms. Chaithra Rao

	
<p>Mr. Swastik Kanyadi</p>	<p>Mr. Sham Prasad</p>

The award is presented annually by 'Media Alumni Association of Mangalagangothri'. The recipients are honoured for their outstanding performance and activities in the field of Mass communication during their graduation years. The award is founded by the Media Alumni Association of Mangalore University. The recipients are selected by a committee consisting of eminent personalities of media and academics.

## Programmes Organised

- The Department of PG Studies and Research in Chemistry, under the banner CONCHEM - the department association organised an insightful 'Preliminary Workshop on Fabrication of Glassware' on 20 April 2023. The resource person was Sri A. Rajendran, a specialised glassblower from the Department of Chemistry, Mangalore University. Ms. Bindhya M G from I MSc Organic Chemistry gave a brief introduction of the guest followed by an introductory note on how beneficial this workshop is to the students by Dr. Vishwanatha P, Dean, PG Studies and Head of the Department. Sri Rajendran familiarised the audience with the handling of different kinds of glass apparatus and their nature. He took over a variety of tasks such as capillary formation, smoothing of sharp cut edges of broken glass apparatus so as to reuse it and fabrication of bent tubes, T-joints etc. A few of the students actively volunteered in learning different techniques of glass blowing. The

programme was coordinated by Dr. Sowmya B P and Dr. Nefisath P, Assistant Professors of the Department. Ms. Supriya K from I MSc Organic Chemistry welcomed the gathering and Ms. Prajna S K from I MSc Chemistry narrated the programme. Session ended with a vote of thanks proposed by Ms. Shruthi V S from I MSc Chemistry.

- The Department of PG Studies in Journalism and Mass Communication of SDM College, Ujire organised the 'SDM Gazette and SDM Times' release programme on 19 April 2023. Speaking on the occasion, Principal of the College, Dr. Kumar Hegde BA said, inquisitiveness towards new topics is one of the most important qualities for journalism students. It is that curiosity that drives him towards research that can provide deeper knowledge. There should be a passion for reading not just the works of a few writers, but multi-dimensional works by different writers. He analysed that only then reading acquires a foundation of broad knowledge. Dean of SDM Post Graduate Center Dr. Vishwanath P said, the population of India has crossed 141 Crore. Out of which mainly the youth population between 20 to 35 years of age is 65 percent of the total. Meanwhile, every year after completing higher studies, the people who leave in search of employment are estimated to be more than one and a half crore. Today's students are challenged to stand out and stand out among them all. Give major emphasis to knowledge acquisition. A mind open to continuous learning can win the test of time. He said that only knowledge can stand together in any difficult situation.
- Students of 1st and 2nd year JMC participated in the programme. Shivakumar of 1st year JMC welcomed the gathering and proposed a vote of thanks. JMC Department HOD Bhaskar Hegde and other staff members were present during the programme.

- The Department of Mathematics in association with the department of Sanskrit organised a one day State level Seminar on “Indian Scientific Heritage and Calendar System” on 27 April 2023. Sri Kajampady Subhuramany Bhat, Indian Philosopher, delivered a talk on “Scientific Heritage of India” and in the second session on “Heritage of Indian Mathematics”. Another resource person Dr. Vinayak Bhat, Assistant Professor, Alvas College, Moodubidri delivered a talk on “Indian Calendar System”. Prof S.N. Kakathkar delivered a talk on “Mathematical Applications in Veda and Upanishad”. Around 90 students and faculty members of different departments were benefited from this seminar.

- The Department of Political Science organised 'Voters Awareness Campaign' on 28 April 2023 to all the students of UG and PG. The final year students of Political Science visited every class in batches and administered the 'Pledge to vote' fairly and fearlessly in the election without fail and also to encourage others to vote. Principal of the College, Dr Kumar Hegde B.A. flagged off the campaign and also addressed the students about the significance of voting. Registrars, Deans, HO's and faculty members of the department were present

- The Department of Physics conducted a talent hunt programme 'Gurutva 2023', an interclass talent hunt programme for science students on 18 April 2023. Competitions like pick and speech, paper presentation, best out of waste, treasure hunt, quiz and bucket physics were conducted which enhanced the soft skills of students
- The Department of PG Studies in Statistics organised an inter department fest "Anantya -2K23" on 26 April 2023. 162 students of the PG Centre participated in the fest . Dr. Vishwanatha P., Dean, SDM PG Center inaugurated the programme and Ujire Dr. Kumar Hegde B A., Principal of the college presided over the programme. Prof. Shanthi Prakash, HOD, Department of PG Studies in Statistics and other faculty members were present. Ms. Shwetha Kumari, Assistant Professor was the staff coordinator.

- The Department of Commerce organised a Poster Making event on account of World Earth Day on 21 April 2023 for II B. Com C students. Mr. Bhanuprakash B E was the staff in charge.

- HRD and Placement Cell organised a campus recruitment drive of Nandi Toyota, Bangalore on 26 April 2023. A total 55 students from the BA, BBA and B.Com got selected for the post of Sales and Marketing.
- The Department of B.Voc in Retail and Supply Chain Management has conducted a 2 day Workshop on 'Unlock the EXECL Beginner to Advance' on 3 February 2023 to 4 February 2023 to B. Voc III Semester students. Mr.Pradeep K, Assistant Professor, Department of MSc in Statistics was the resource person. Total 50 participants attended this workshop. Mr.Shashank B.S, Assistant professor, coordinated the workshop.

## Alumni Interaction

- PG Department of Chemistry organised an interaction session by our former student Mr. Prajwal (2016-18 batch), Research Scholar at Jain University and Post Doc Fellow at Reva University Bangalore on 21 April 2023. He explained the opportunities for higher education (PhD and PDF) at various institutions in India and abroad. He also briefed on the advantages of pursuing higher studies for better future

- PG Department of Chemistry organised alumni interaction by Ms. Manasa G Shetty (2015-17 batch), Research Scholar at Manipal University, Manipal to first year M. Sc Chemistry and Organic Chemistry students on 25 April 2023. She emphasised on the importance of writing competitive examinations like NET, JRF and GATE to pursue higher studies in prestigious institutions. She suggested all the students focus on the competitive examinations along with their curriculum.

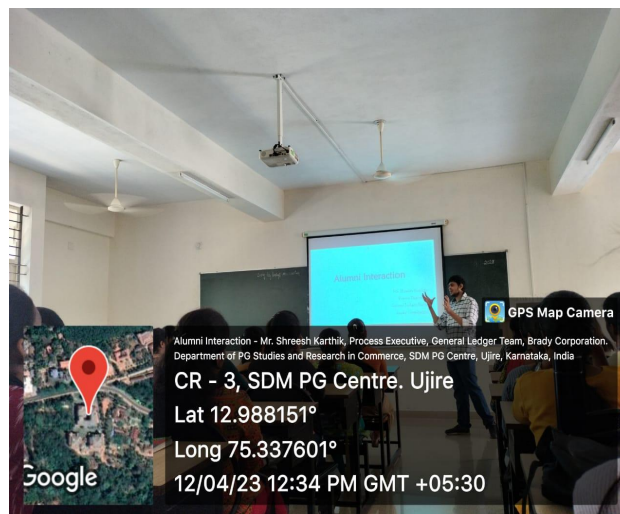

- The Department of Computer Science arranged the alumni interaction programme on 29 April 2023. Ms. Sahana, Senior Engineer in Analog Layout Design, Aricent, Bengaluru was the resource person. She interacted with the Computer science students of II BSc regarding her work experience and given the information regarding career opportunities in MultiNational Company.
- The Department of Commerce organised an Alumni Interaction by CS Chinmay, CS Practitioner, Bangalore on the topic 'Opportunities after B.COM' was arranged for III B. Com C and II B. Com A Students on 24 April 2023. Dr. Rathnavathi K, Dr. Lakshminarayana K. S and Mr.Harish Shetty was the staff in charge.

- The Department of Commerce organised an Alumni Interaction by Mr. Rakesh on the topic 'Communication Skills and Significance of HRD Cell' arranged for I B. Com D and II B. Com D section students on 15 April 2023. Mr. Prasad Kumar and Ms.Deekshitha Kumari were the staff in charge.

- The Department of PG Studies and Research in Commerce organised an Alumni Interaction on 12 April 2023, under the guidance of Mr. Harshith Kumar, Assistant Professor, Department of PG Studies and Research in Commerce. The resource person of this alumni interaction was Mr. Shreesh Karthik, Process Executive, General Ledger Team, Brady Corporation. In this interaction session, he gave information about how to crack the interview, how the corporate field acts and what consequences come in front while stepping into the corporate world.

## Field Visits

- The Department of PG Studies and Research in Physics organised two days' demonstration workshop and hands-on training at BOSCH Lab, SDM Polytechnic, Ujire, on "Arduino Microcontroller and Programmable Logic Controller " on 28 April 2023. The resource person was Mr. Amaresh

Hebbar, Faculty, Dept. of Electronics and Communication, SDM Polytechnic, Ujire on 29 April 2023, a lecture followed by hands-on training on “Soldering Practices”. The resource person was Mr. Avaneesh P, Faculty, Department of Electronics and Communication, SDM Polytechnic, Ujire. 40 students from I and II M.Sc Physics attended and accompanied by Dr. Sahana K, Assistant Prof. Department of PG Studies and Research in Physics.

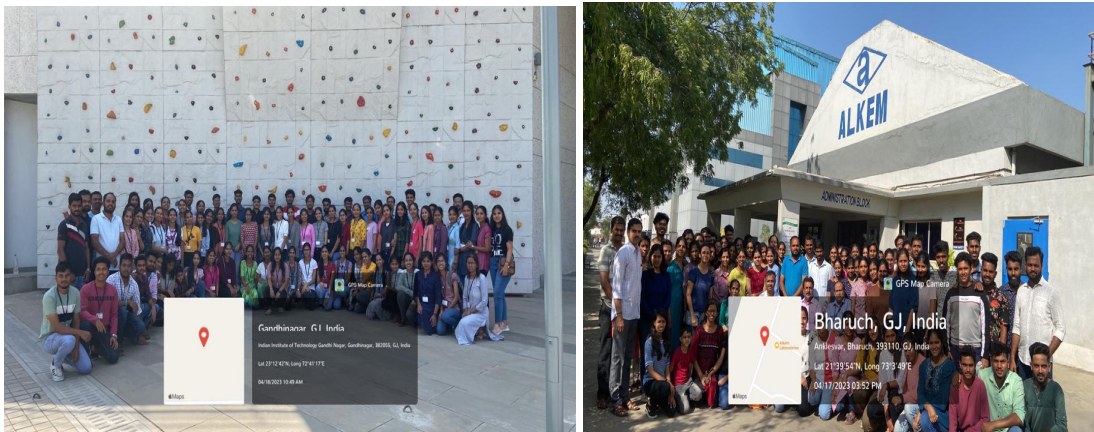

- The Department of PG Studies and Research in Commerce organised an Industrial Visit from 18 April to 22 April 2023, for the students of II M.Com. As a part of the industrial visit, they visited popular industries of Coimbatore and Ooty in Tamil Nadu. This industrial visit included 35 students and 3 faculties. The team visited the Pressmatic Engineers India Pvt Ltd in Coimbatore, Tamil Nadu, The Hindu Newspaper on LIC Road, Coimbatore Central, Tamil Nadu, The Tea Factory & The Tea Museum in Doddabetta, Ooty, Tamil Nadu and The Chocolate Factory in Ooty, Tamil Nadu.

- The Department of PG Studies and Research in Chemistry organised Institutional and Industrial Visit for II M.Sc. Chemistry and Organic Chemistry students, from 14 April 2023 to 20 April 2023. 70 students and 8 staff members have visited Indian Institute of Technology, Gandhinagar and Alkem Laboratories Limited, Mandvabuzarg, Gujarat. Students were guided by Research Scholars and sports instructors and taken to various labs including Research and Development, Quality Control, instrumentation labs and sports complex. Institutional visit was successful with a workshop organised by Center for Creative Learning (CCL), IIT Gandhinagar. Research associates and Scientists

introduced and explained the working of various labs including Research and Development, Quality Control, Quality Assurance and Kilo labs. This institutional and industrial visit was more focused towards providing an exposure for the students to industries and to inspire them regarding research.

## Guest Lectures

- The Department of PG Studies in Journalism and Mass Communication of SDM College, Ujire conducted Guest Lecture and Interaction session with versatile journalist, filmmaker, and actor Gourish Akki and Journalist Malati Gourish AKki on 17 April 2023. During the interaction Gaurish Akki said that, the right time at the right place will provide a boom to professionalism and career. Media is a part of society, skills, interests, perception, dynamism and all these attributes are very important to become a successful journalist. A journalist should broadcast good news and receive it with a good attitude. The traditional education is not important for journalism because it's an open sector for talented job seekers. Only talent and persistence will survive in the long run. Addressing the student's journalist Malathi said that programmes like Sakhi and Sirigandha should come out with more women interested subjects like fashion and lifestyle. Students of 1st JMC and 2<sup>nd</sup> JMC actively participated in the interaction. During this programme, Sindhu Hegde of 2<sup>nd</sup>JMC welcomed the gathering and proposed a vote of thanks later. Dr. Bhaskar Hegde, HOD and other faculties were present during the programme.

- PG Department of Chemistry organised a guest lecture on the topic 'Design, Synthesis, Characterization Evaluation of Anticancer Effects of 1,10-phenanthroline Hydroxamic Acid Derivative as Dual HDAC/RRA2 Inhibitor' by Mrs. Manasa G Shetty (2015-17 batch), Research Scholar at Manipal University, Manipal on 25 April 2023. She briefed about the mechanism of anticancer agents and role of heterocyclic compounds in curing cancer.

- The Department of PG Studies and Research in Physics organised an Alumni Interaction and Guest Lecture session on 25 April 2023. Former student Mr. Nidheesh V. R, Research Scholar, Department of Atomic and Molecular Physics, Manipal Academy of Higher Education (MAHE). He worked on the topic and submitted his research thesis titled "The development of photonics based techniques for Breath VOC analysis". He delivered a talk on the same. The sessions were very motivating and stimulating. I and II MSc Physics students and faculty were the beneficiaries.

- The Department of PG Studies and Research in Physics organised the Student Lecture Series under co- curricular committee as a second lecture of the series on 26 April 2023. Mr.Sanketh H S from II M.Sc Physics delivered a lecture on the topic “A Flat Laid World”. A Total of 47 students from various PG Departments attended the programme. Dr. Raghavendra S, HOD, PG Physics, Dr. Sahana K, and Dr. D Haleshappa, Assistant Professor, PG Physics were present in the session. Ms.Sowmya K, Assistant Professor, PG Physics was the programme in-charge from PG Physics Department and Dr. Sujay M M, Assistant Professor, PG Chemistry was present as a convener of Co-curricular Committee
- The Department of B.Voc organised a guest talk on the topic-‘Challenges and Opportunities for Women Entrepreneurship’ for all three years of B.Voc in Retail and Supply chain management. Ms. Christabel D’Souza who is an entrepreneur for Flora travels, Mangalore. A total of 120 students, including teachers, participated in the workshop. Mrs Madhuri was the event coordinator for this workshop.
- The Department of Postgraduate Studies and Research in Psychology, organised a Guest lecture on Marketing information system on 27 April 2023, by Mr Sharaschandra KS, Assistant Professor Department of BBA, SDM College, Ujire. Coordinated by Ms Ashwini.H Assistant Professor, PG psychology.

- The Department of Postgraduate Studies and Research in Psychology, organised a Guest lecture on Marketing research on 28 April 2023, by Mr Gurudath Shenoy, Assistant Professor Department of BBA, SDM College, Ujire. Coordinated by Ms Ashwini.H Assistant Professor, PG Psychology.

- The Department of PG Studies and Research in psychology under Research Forum organised a resource talk on Basics of Research by Dr Sudheer KV, Assistant Professor, Department of Psychology, SDMC Ujire on 28 April 2023. The beneficiaries of the programme are I MSc Psychology students. The event co-coordinator of the programme was Ms Ashwini S Shetty.

- The Department of Computer Science arranged a guest lecture on 'Corporate Job Opportunities' on 15 April 2023. Ms. Yashaswi K S, Corporate Trainer, Koenig Solutions Pvt Ltd., Bangalore and also the Alumni of our college was the resource person. Addressing the III BSc Computer Science students she highlighted the qualities that students must inculcate by utilising the facilities and training provided in the college.

- IT CLUB of Computer Science Department arranged the final round of Quiz competition 'Think Bots' on 26th April 2023 at Seminar Hall - II. The event was conducted for the final four teams from the quiz prelims present.
- Electro-Hub, the Electronics Hobby Club of the Department of PG Studies and Research in Physics organised a Guest lecture and interaction programme on 19 April 2023 for I and II M.Sc Physics students. Mr. Varunkumar Karadesai, Assistant Professor, Department of ECE, SDMIT, Ujire was the resource person. He talked about opportunities in and skills required for Physics postgraduates in industries, particularly in the field of Electronics. He also enlightened the audience about bridging the gap between knowledge and application, motivated students to pursue jobs in fabrication and related industries, as well as trends in the coming years.
- The Department of Political Science organised a Career guidance programme by Mrs Anusuya RVDSUTTI on career opportunities in self employment training centre at Ujire for II BA Students on 24 March 2023.

## Staff Achievements

- Mr. Praveena D, Assistant Professor, Department of B.Voc in Retail and Supply Chain Management, completed an Online Training Module on "Data Analytics by using Jamovi Cloud Analytical Software" and covered trainings on Descriptive Analysis, Hypothesis Testing, Predictive Analysis organised by Edutrackmeup, Research Training and Development Mangalore from 1 February to 24 March 2023.
- Ms. Madhuri Cowda, Assistant Professor, Department of B.Voc in Retail and Supply Chain Management, has completed online training modules on data analytics by using jamovi cloud analytical software and covered trainings on descriptive analysis, hypothesis testing and predictive analysis from 1 February to 24 March 2023.
- Prof S N Kakathkar was invited as the chief guest for the valedictory function of 'ANANTYA 2K23' organised by the PG Department of Statistics.
- Prof S N Kakathkar was invited as the chief guest for the valedictory function of state level seminar on 'Indian Science Heritage' organised by the departments of Sanskrit and Mathematics. He spoke about Physics in Vedas.

- Dr. Raghavendra S, HOD, Dept. of PG Studies and Research in Physics was invited by PG Statistics Department SDM PG Centre, Ujire as a judge for the event Mad Add of Inter Department Fest “Anantya” on 26 April 2023.
- Dr. Raghavendra S, HOD, Department of PG Studies and Research in Physics was invited by UG Physics Dept. SDM College, Ujire as a judge for the event Bucket Fiziks (Science model presentation) of Physics Dept. Fest “Guruthwa” on 20 April 2023.
- Dr. D Haleshappa, Assistant Professor, PG Studies and Research in Physics was invited by UG Physics Dept. SDM College, Ujire as a judge for the event Talking Tom(Pick and Speak) of Physics Dept. Fest “Guruthwa” on 18 April 2023.
- Dr. Sahana K, Dept. of PG Studies and Research in Physics was invited as a judge for the event model making competition and exhibition “Circuit Expo-2k23” organised by the Dept. of Electronics and Communication, SDM Polytechnic, Ujire on 21 April 2023.
- Dr. Sahana K, Dept. of PG Studies and Research in Physics was invited as a Guest of Honor on the occasion of valedictory function of the model making competition and exhibition “Circuit Expo-2k23” organised by the Dept. of Electronics and Communication, SDM Polytechnic, Ujire on 21 April 2023.
- Dr. Sudheer K V, Assistant Professor participated as a resource person for the talk on ‘Basics of research’ organised by the Department of PG Studies and Research in Psychology, SDM College, Ujire on 28 April 2023.
- Dr Shalip Was resource person for the National Seminar on Human rights and Women n 28 March 2023 organised by St Agnes College Mangalore
- Dr Shalip, Dean of Arts, SDM College, Ujire presided over a Guest Lecture programme by Dr Stephen Maclon on Research Investigation organised by the Dept of Economics on 20 March 2023.
- Dr Shalip, HOD, Dept of Political Science was invited for a Radio interview on Karnataka Assembly Election 2023 on 21 April 2023 by Radio Ninanda Station SDM College Ujire.
- Dr. Rajashekhar, Assistant Professor, Department of Kannada, resource person talk delivered at Basaveswara Arts and Science Degree College, Bagalakote on 14 April 2023.
- Dr. Rajashekhar Assistant Professor, Department of Kannada, presented a short story titled Galige Sikka Sodaruru in Mangalore AIR on 28 March 2023.

- Ms. Ashwini S Shetty, served as a judge for the event “Turn Coat” at Interdepartmental fest – SANGHARSH – talent appreciation programme organised by the Department of PG studies and Research in Social work under the banner of Departmental Forum SYNERGY – HR Forum for excellent you on 25 April 2023.
- Mr. Praveena D, Assistant Professor, Department of B.Voc in Retail and Supply Chain Management, participated as chief guest for the Summer Paradise Programme organised by SDM English Medium School, Dharmasthala, and delivered special lecture for students and parents on the topic “How to utilise the summer holidays effectively” on 31 March 2023.

## Staff Publications

- Dr. D Haleshappa, Assistant Professor, Department of PG Studies and Research in Physics Prof S N Kakathkar, Associate Professor of Physics and Ms. Sridevi, Assistant Professor of Physics published a paper titled “Thiophene-Centered PMMA Unified Thin Films With Electrical, Photoluminescence, and Third-Order Nonlinear Optical Potentials for Optoelectronic Applications” in the in the UGC CARE listed Journal “Materials today communications”, with ISSN number, 2352-4928.
- Dr. D Haleshappa, Assistant Professor, Department of PG Studies and Research in Physics published a research paper titled “Degradation mechanisms in PEM fuel cells: A brief review” in the International journal Elsevier, with Impact factor 3.662 and cite score 2.3.

## Staff Paper Presentations

- Dr. Rajashekhar, Assistant Professor, Department of Kannada presented a paper titled ‘Classic Kannada - Cultural Research’ organised by Center of Excellence for Studies in Classical Kannada of Indian Languages, Mysore from 26 to 28 April 2023 .
- Mr.Praveena D, Assistant Professor, Department of BVoc in Retail and Supply Chain Management presented a paper titled “Integrated Corporate Social Responsibility Of Tata Consultancy Service: Strategies For Sustainability And Development” a two day international conference on “Sustainable Innovative Strategies for Business Development in the Current Scenario” organised by the Department of MBA, Srinivas Institute of Technology, Mangalore on 2 and 3 March 2023.

- Mr. Shashank B. S, Assistant Professor, Department of BVoc in Retail and Supply Chain Management presented a paper titled “Integrated Corporate Social Responsibility Of Tata Consultancy Service: Strategies For Sustainability And Development” in the two days international conference on “Sustainable Innovative Strategies for Business Development in the Current Scenario” organised by the Department of MBA, Srinivas Institute of Technology, Mangalore on 2 and 3 March 2023.
- Mr Nataraj H K, Assistant Professor of Political Science, presented a paper titled Rashtriya Uchchatha Shiksha Abhiyan ( RUSA) in the two day Multidisciplinary National Seminar on Indigenous Practices in Higher Education in India: Steps Ahead organised by the Dept of Economics and ICSSR NewDelhi on 29 and 30 March 2023.
- Mrs Bhagyashri, Assistant Professor of Political Science, presented a paper titled Ethics in Higher Education in the two day Multidisciplinary National Seminar on Indigenous Practices in Higher Education in India: Steps Ahead organised by the Dept of Economics and ICSSR NewDelhi on 29 and 30 March 2023.
- Ms. Ashwini S Shetty Assistant Professor in Digital Media and Film Making presented a research paper titled “Happiness and quality of life among old age home people” at National seminar organised by Department of PG studies and Research in Psychology on 12 April 2023.

## Staff Participations

- Dr. Raghavendra S, HOD, Department of PG Studies and Research in Physics attended a National level online workshop on ‘Leveraging ICT Tools for Digital Evaluation and Outcome-Based Education’ organised by M/s. Master Soft on 28 April 2023.
- Dr. Vishwanath P, Associate Professor and Dean SDM PG Centre was the member of NAAC Mock Peer Team Visit to SDM College of Business Management, Mangaluru , organised by SDME Society ®, Ujire on April 2023.
- Dr. Sowmya B P, Assistant Professor, Department of Chemistry attended National Conference on “Collaborating across Disciplines through Interdisciplinary Research” , organised by St Aloysius College (Autonomous), Mangalore on 19 April 2023.
- Ms. Sowmya Kumari, Ms. Aparna and Ms. Pavithra U K of Department of Commerce have participated in the 5 day Faculty Development Programme on ‘Contemporary Issues in Taxation,

Investment, Banking and Analytics' organised by Internal Quality Assurance Cell of Milagres College, Hampankatta, Mangaluru from 10 to 14 April 2023.

- Dr. Sanmathi Kumar, HOD and Assistant Professor, Department of History, Nominee of BOS History of the Mangalore University and the member of Academic Council of Vivekananda College, Puttur, attended a BOS meeting held at Vivekananda College, Puttur on 25 April 2023 .
- Dr. Bojamma K.N, HOD, Department of Kannada has participated in paper presentation at the National seminar held on 19 April 2023 at St. Aloysius College, Mangalore.
- Mr. Shashank B S, Assistant Professor, Department of B.Voc in Retail and Supply Chain Management, has participated on "Doctoral level Research (DDLRSU)" organised by Institute of Management and Commerce, City campus, Pandeshwar, Mangalore on 10 October 2022 to 17 February 2023.
- Ms. Madhuri Gowda, Assistant Professor, Department of B.Voc in Retail and Supply Chain Management, attended a national seminar organised by the Department of PG Studies and Research in Psychology on 12 April 2023..
- Ms. Madhuri Gowda, Assistant Professor, Department of B.Voc in Retail and Supply Chain Management, attended a workshop on project management techniques organised by Edutrackmeup on 25 April 2023.
- Dr. Maheshbabu. N, has participated in a National Level Workshop on "Body Language" (online), organised by World Congress of Psychologists (Andra Chapter) on 27 April 2023.

## Student Activities

- Mr Shama Prasad HP, Student of MA JMC attended Yuva Sangama' - youth exchange programme representing Karnataka organised by Ministry of education, Government of India and IIT Guwahati held at Indian Institute of Technology Guwahati, Assam from 27<sup>th</sup> February to 3 March 2023.

- 15 Rovers and 21 Rangers of our college completed the requirement of "Trekking" to Ettina Bhuja and Bettada Bhairaveshwara for the District Award (NIPUN) and State Award Exam (Rajya puraskar).on 22 April 2023.

- Students of B.Voc in Digital Media and Film Making have completed internships at various reputed organisations pertaining to their subjects. The organisations include Tarjani Communications Mangalore, Market Bird Marketing Agency, Production House Bengaluru, Suddi Bidugade Belthangady and SDM College Ujire. 42 students have completed 15 days internships and were awarded certificates of excellence.
- Department of B.Voc in retail and supply chain management has organised Internship at Metro Cash & Carry India Pvt Ltd, Bangalore for 17 days to final year B.Voc Students to understand the overall working process of retail outlet. Mr. Praveena D, Assistant Professor, Department of B.VOC in retail and supply chain management coordinated the internship.

## Sports Achievements

- Mr.Dinesh - I BBA, Manoj K T - I BBA and Aditya C S - I B.Com participated In the 45<sup>th</sup> Junior National Handball championship held at Rajasthan From 27 to 30 March 2023.

- Yashvanth Telkhar V C - II B. Com, Mohan Raj G - II BA and Pavan - II BA participated and won the bronze medal in the national level fast five netball championships held at Haryana from 28 march to 3 April 2023.

- Students of PG Department of chemistry have participated in "National Level Fest- Analyst 2023" organised by the Department of Chemistry, St. Aloysius College Mangalore and secured overall

championship. A group of 17 students were participated in different competitions. Secured I prize in ice-breaker, seminar and trasion, Second prize in quiz, face painting and treasure hunt, third prize in chem-rangoli and documentary making..

- NSS Volunteers participated in “SRUJANA – 2023”, an Intercollegiate NSS Fest held at Canara College, Mangalore on 17 April 2023. Mr. Ananth and Ms. Riya Lavita Monis won the Second Prize in Face Painting Competition. 20 Volunteers participated in the event. Dr. Lakshminarayana K S, NSS PO accompanied the volunteers.
- NSS Units Volunteers in association with SRIC conducted Watering of the Plants in Suvarana Vana on 21 April 2023. 10 volunteers participated in the activity.
- NSS Units Volunteers in association with SRIC conducted upkeeping and watering of the Plants at Suvarana Vana on 24 April 2023. 18 volunteers participated in the activity.
- NSS Units Volunteers in association with SRIC conducted Watering of the Plants in Suvarana Vana on 28 April 2023. 10 volunteers participated in the activity.
